

SHEEP RANGE

EasyEwe®

EasyEwe® is a nutritionally balanced 9mm pellet designed to be fed to ewes. EasyEwe requires no adaptation - safe to feed ewes at any stage of pregnancy.

Features

Benefits

Nutritionally balanced ration	> Meets the protein, energy and mineral requirements for optimum health and feed conversion
Can be fed to ewes at all stages of reproduction	> Assists ewes to reach a target condition score of 3.0-3.5, prior to joining. Maintains ewe condition prior to lambing, minimising the risk of pregnancy toxemia and reducing lamb mortality.
Natural essential oils	> Ionophore free, containing a unique blend of micro-encapsulated natural essential oils for improved health and performance
Quality assured vitamin/trace premix	> Provides the essential vitamins and minerals needed by ewes during pregnancy and lactation. Contains an optimally balance Ca:P ratio
No adaptation period is necessary	> No additional roughage needs to be fed from Day 1
Pelleted feed	> A robust and durable 9mm pellet. Ensures no weed seeds
No ingredient separation	> Even nutrient blend received by each animal
Raw material receival standards	> High quality and safe ingredients for quality assurance
Convenient	> A complete formulation to maximise profitability and minimise wastage

NUTRITIONAL ANALYSIS

Nutrients	Dry matter basis
Crude Protein (min)	12%
Metabolisable Energy (est)	10.0 MJ/kg
Crude Fibre (max)	22.0%
Urea (max)	1.5%
Vitamin E	60mg/kg
Selenium	300µg/kg
Natural essential oils	120mg/kg

INGREDIENT SELECTION

Lupins, barley, oats, wheat, triticale, cereal byproducts, cereal straw, limesand, urea, dicalcium phosphate, vitamin E, vitamin/trace mineral premix, micro-encapsulated natural essential oil blend.

FEEDING DIRECTIONS

EasyEwe® can be trail fed or fed in self-feeders from Day 1. No adaption period is required.

Feeding rate will depend on the quality and quantity of paddock feed available. Ewe, lamb and ram requirements will vary according to their breed and cycle stage, ranging from 200g to 1.0kg/head/day.

EasyEwe® is ionophore free, containing a unique blend of micro-encapsulated essential oils for improved health & performance.
