

EQUINE RANGE

Horse Cubes

Horse Cubes are a highly palatable, nutritionally balanced ration designed to be fed to mature horses in conjunction with good quality roughage.

Features

Benefits

| | |
|--|---|
| Nutritionally balanced ration | > Meets the protein, energy and mineral requirements of horses when combined with good quality roughage |
| Highly digestible energy sources | > Provides energy without heating effects |
| Quality assured vitamin/trace mineral premix | > Provides the essential vitamins and minerals to meet nutritional needs and maintain health |
| Molasses added | > Increases palatability for maximum feed acceptance |
| Cubed feed | > The large pellet size is ideal for mature horses, easy to feed, reduces dust and prevents wastage |
| No ingredient separation | > Even nutrient blend received by each horse |
| Raw material receival standards | > High quality and safety of ingredients |

NUTRITIONAL ANALYSIS

| Nutrients | As fed basis |
|-------------------------|--------------|
| Crude Protein (min) | 12.0% |
| Digestible Energy (min) | 11.0 MJ/kg |
| Crude Fibre (max) | 15.0% |
| Added Salt (max) | 1.0% |
| Calcium (min) | 1.0% |
| Phosphorus (min) | 0.4% |

INGREDIENT SELECTION

Lupins, barley, oats, wheat, triticale, cereal byproducts, lucerne, cereal straw, molasses, salt, limesand, dicalcium phosphate, mould inhibitor, vitamin/trace mineral premix.

FEEDING DIRECTIONS

Horse Cubes are a grain-based pellet and should be fed in conjunction with good quality roughage in the form of hay, chaff or pasture. Clean fresh water should be available at all times.

Feeding recommendations

| Exercise | Pellets/100kg BWT |
|-------------|-------------------|
| Not in work | 0.40 kg |
| Light work | 0.70 kg |

The above table is a guide only and the amount fed should be adjusted according to the horse's age, temperament, condition, bodyweight and exercise. The amount fed should be divided into at least two feeds daily.

Horse Cubes should be introduced slowly into the diet over a period of at least one week.
